

# ST. CHRISTOPHER BY-THE-RIVER

JULY/AUGUST 2021 NEWSLETTER

Dear Friends,

“We Are Theologians.” The title of this book by Fredrica Harris Thompsett popped out at me when I was a newly baptized Christian, enthusiastically learning all that I could in my new “home” at St. Thomas Episcopal Church. The book is worth reading but the title alone was transformative for me. The idea that you, me, “we” are all theologians had never entered my mind. The word theology comes from combining two Greek words; *theos* (God) and *logia* (utterances, sayings, oracles). A theologian is someone who speaks or writes about God. Professor Thompsett says that we are all “Natural Theologians” and she is right. We all have a history with God through our life experiences. We may have direct experiences of God’s presence and action in our lives. We may also read or be told by others about their experiences and ideas about God. The entire Bible is a collection of books filled with words about God. All of these experiences shape our understanding of God and help to form our own theology.

Our faith development as Christians is rooted in our theological understanding of God; who God is, how God is present and active in our lives, how God might be inviting us to grow and develop our full humanity, what God’s desires might be for the whole world. As Christians, there is no aspect of our lives that is separate from our relationship with the Trinity; Father, Son, and Holy Spirit.

St. Christopher’s has a solid history of encouraging the theological development of both children and adults. Prior to the pandemic, in-person Sunday School and the Sunday Forum were the norm. When our normal ways were disrupted by the pandemic, we gave thanks for Zoom and YouTube (shout-out to tech-masters John Irwin and John McElliott) and carried on. Sunday School (either in person or online) and our mid-week Zoom Book Discussion Group will resume in the fall, as usual. But we also have some new and exciting tools for developing our ability to know God more deeply through our capacity to be natural theologians.

Lucy Lytle has an article in this newsletter about **ChurchNext**, which offers the ability to learn about a wide range of Christian topics from the comfort of your own home. Be sure to check it out and sign up – you won’t regret it! Our Diocese has paid for a one-year subscription for every parish so this is free to us for an entire year.

We are also exploring forming an **Education for Ministry** group at St. Christopher’s. “EfM helps the faithful encounter the breadth and depth of the Christian tradition and bring it into conversation with their experiences of the world as they study, worship, and engage in theological reflection together.” The complete program covers four (36 week) “years” and participants register for only one year at a time. We will need a minimum of six people in order to have an EfM group in our parish (maximum group size is twelve). The current enrollment fee is \$475, which includes all books to be read during that year, other than your own Bible. Scholarships and tuition reduction based on group size are available from EfM and I am able to help thanks to the Rector’s Discretionary Account so please don’t let cost be a factor if this is something you want to pursue.

If you would like to know more about this wonderful source of theological education, Sandy Redmond has just completed her first year of EfM via Zoom with a group in Lakewood. Debbie and Randy Cole were both in EfM when St. Christopher’s last had our own group. (Debbie was a trained EfM Mentor.) The Education for Ministry website at [efm.sewanee.edu](http://efm.sewanee.edu) also has good information. If EfM sounds like something you are interested in doing, talk with Mother Ann. As soon as we have at least six people, we will get started with EfM.

“Blessed Lord, who caused all holy Scriptures to be written for our learning: Grant us so to hear them, read, mark, learn and inwardly digest them, that we may embrace and ever hold fast the blessed hope of everlasting life, which you have given us in our Savior Jesus Christ; who lives and reigns with you and the Holy Spirit, one God, for ever and ever. Amen.” Read, mark, learn, inwardly digest. This is the work of theology – and we are all theologians!

*With Love, Ann+*

# VESTRY MEETING MINUTES

**APRIL 28, 2021**

Present: Father Richard Israel, Elise Bennett, Charley Marston, Becky Everett, Mary Holmes, Sandra Redmond, Ron Lee, Tom Matthews, Mary Murray

The meeting came to order at 5:37 pm. Father Rich opened the meeting with a prayer.

Review and approval of the March 24th meeting minutes was the first order of business. There were a few minor corrections noted and a recommendation to attach the resolution for resuming in-person worship to the minutes. Becky E. moved to approve the draft with noted corrections/additions, Sandra R. seconded, a vote was taken and the motion passed.

Mary Murray joined the meeting to review the Q1 2021 Financial Report. Mary noted that pledges for year to date 2021 are in line with last year. Combined with slightly lower expenses, the net results are slightly better than last year. Mary mentioned that the PPP loan forgiveness is still in process and not reflected as revenue yet. She closed by mentioning that the Parrish audit is planned and will begin soon. Charley M. moved to receive the Financial Report, Becky E. seconded, a vote was taken and the motion passed.

The third order of business was an update from the Pre-K Investigative Task Force from Mary Holmes. Mary reviewed the rationale and results of community and parish surveys that were conducted. The community surveys resulted in a bit of concern that the market demand will meet the needs of the proposed business plan. This combined with the generally supportive with some concerns from the parish gave pause to the proposal. Mary also noted programs at other churches were not as “arms length” as anticipated and that the proposed program would require a similar support from St. Christopher’s. With all of these challenges, the task force recommended to not proceed with the proposal.

Review of the ChurchNext proposal was the next order of business. Most of the Vestry had the opportunity to review the on line program. Becky E. conducted some additional research from parishes utilizing ChurchNext and determined having a liaison is very beneficial for adoption and mentioned Ms. Lytle offered to fill that role for St.

Christopher’s. She also noted the Diocese will cover the first year expense and follow on expenses were minimal. All agreed that proceeding made sense. Becky E. moved to go forward with the trial of the program, Tom M. seconded, a vote was taken and the motion passed.

During the Senior Warden report, Charley M. brought forward a proposal related to restarting Bargain Box with the hope of holding a Bargain Box sale in the Fall. Specifically, a request was made to allow donated materials to be accepted at St. Christopher’s. Early during the pandemic, accepting donations was stopped. With the progress towards the pandemic and many activities restarting, all agreed the proposal made sense. Charley M. motioned to restart the acceptance of donations on May 1st with himself and Becky E. managing the logistics. Elise B. seconded the motion, a vote was taken and passed. Charley M. highlighted that this is one of many examples including: 1) When can we have services inside and with what guidelines? 2) When can we reactivate the choir? 3) How do we decide to have two services? 4) What will be our policy about in person meetings inside the church? 5) What about other activities such as - Thursday evening prayer, book reading,

Father Rich then opened the Sabbatical Debriefing discussion, using a handout sent in advance of the meeting asking vestry members to share observations about life at St. Christopher's during the sabbatical. Father Rich noted a number of strengths he observed, including the presence of engaged, strong lay leadership; a worship team that has put together virtual worship creatively in the midst of the pandemic; attention to pastoral care with the presence of both Stephen Ministers and the grief group both led so ably by Kathy Pender; and a core of people committed to study. He also mentioned how blessed St. Christopher's is to have Mary Zup in the office. It was also noted that while the pre-school Task Force did not recommend moving forward with this plan, the model the task force created for studying outreach opportunities will help look at other outreach possibilities. The biggest shortcoming noted had to do with community building and maintaining connections, a function of the pandemic more than the sabbatical time.

During the review, the dominant topic was similar to what Charley M. Highlighted--we need to work through the elements required to restart many of the pre-pandemic parish activities. There were reflections on how many of the new practices (such as Zoom meetings to augment activities to facilitate participation) have been beneficial and with this the need to determine how incorporate them into future practices. Ron L. mentioned the benefits of restarting and supporting small group activities supporting the parish community.

Dates for the next Vestry meeting were discussed that would work to include Mother Ann returning from her sabbatical. June 9th at 5:30pm was selected as the best option.

Father Rich then led a closing prayer. The meeting was adjourned at 6:55 PM.

The Grief Support Group was formed in the fall of 2019 and is open to members of St. Christopher's Church as well as members of the community.

People who have attended this group have remarked how much the support has helped them deal with their painful journey of grief. The group offers companionship and understanding from others who have experienced similar challenges that living with grief brings. Loss is inevitable in life—there are losses of all kinds whether it be through death, or loss in a relationship, or a lifetime vocation. One needs time to go through the process of healing.

If interested in coming to this group, please contact Kathy Pender:

## A MESSAGE FROM OUR SENIOR WARDEN

On Sunday, June 20<sup>th</sup>, we all gathered on the front lawn for a 10:00 AM service and a special dedication of our new sign from The Ohio Historical Marker Program. This was completed thanks to Irene McMullen and Jim Pender and with a gift from the Williams G. Pompoy Foundation of Syracuse, NY.

It recognizes our history of bringing God's message of love and devotion to everyone for 168 years.

As I wrote in the year's annual report, there are many many aspects in the ways we deliver that message, and we all

recognize that much of what we do has been subdued or even curtailed while we protect ourselves and others from this very unusual virus.

Although 2021 is now half over, to a certain degree it feels as if it is just beginning. Father Richard Israel did a terrific job as our priest these past three months but it is great having Mother Ann back all refreshed and already in action performing the many activities she does so well.

We recently sent out a letter announcing the lifting of restrictions by the diocese and the Vestry's decisions to resume

almost all of our in-person activities.

I would like to add emphasis to that letter with the following entreaty:

Please come and partake of our many activities especially our Sunday services. Please tell all your contacts that we are here for them and invite them to come and be with us. Please, as you are able, remember us financially and help us remain fiscally sound.

We still have 6 months in 2021. Let's make the most of it.

*Faithfully yours, Charley*

## Needlepoint Pew Panels

St. Christopher by-the-River has a long tradition of beautiful needlepoint pieces, stitched by members of the congregation, that enhance our lovely church. These include Altar kneelers, chair seats, and a rug and Altar panel in the Baptistry. Knowing that I am an avid stitcher, a friend invited me to visit St. Paul's Episcopal Church in Akron, to view their extensive collection and meet with the leaders of their needlework guild. Over a period of forty years they have completed more

than 1,000 kneelers, in addition to a wide variety of other projects. These include panels to be placed at the end of a pew to mark them as reserved for special occasions---a much more elegant solution than rope!

In consultation with Mother Ann and Sue Marston, it was determined that twelve such panels would be a very useful addition to St. Christopher's collection. I am by no means an artist, but with God's help I was

able to design and paint the canvases and was very grateful to find seven other generous women to stitch them with me. Many thanks to

Anne Barnes, Helen Butler, Becky Everett, Nicole Lincoln, Alison Rankin, Mary Reynolds and Claire Morgan for their gift of time and talent. We are all thrilled and grateful to become a part of St. Christopher's history.

## NEW! Online Christian Learning Classes Available

Thanks to a generous gift from the diocese, St. Christopher's parishioners have limited access for one year to a broad variety of online Christian learning courses offered through **ChurchNext**. Given today's hectic schedules and our desire to develop a deeper knowledge of the Christian faith, *online Christian learning is an accessible and convenient way to grow in Christ.*

- Course topics include scripture, liturgy, and many other areas of personal and spiritual growth.
- Courses are taught by experts, many from The Episcopal Church, and allow parishioners to learn what they want, when they want, and at their own pace.
- Participants can learn anywhere there is an Internet connection on a PC, laptop, or tablet.
- Each course is self-paced and consists of 4-6 brief videos, each lasting 5-7 minutes.
- Occasionally, there are optional multiple-choice questions to check your understanding of the material.
- Each course typically takes 30-45 minutes to complete, and you can pause the material at any point and return to it later.

Available courses include:

### ***How to Be a Crazy Christian.***

Whether or not you've read his best-selling book, Presiding Bishop Michael Curry reawakens us to the tremendous gift—and challenge—of giving our all to follow Jesus.

***Introducing the Gospels.*** This course takes a fascinating look at who likely wrote each gospel, their intended audiences, and the ways in which they are similar and different.

***Martin Luther: Seeds of Reformation.*** Next to Jesus himself, few people have had as significant an impact on the Christian religion as Martin Luther. Who was Luther and what was the context that allowed his ideas to spread? Learn about Luther's early life and unpack the societal underpinnings in which his ideas flourished.

Other Available Courses

*Civil Conversations in Uncivil Times*

*Dynamics of Helping the Poor*

*Angels in Artwork*

*What Every Vestry Needs to Know*

*About Money*

*Growing Giving in an Online World*

*Spiritual Truth in an Age of Fake News*

*Courage for Caregivers*

*Citizenship as a Spiritual Calling*

*Contemplative Knitting*

*Surviving Moral Injury: When You Hurt Someone Against Your Will*

Plus many more...

## HOW TO GET STARTED

Because the number of parishioners with access to the material is limited to 10 people at one time, individual access to ChurchNext will be available in one-month memberships.

**To learn more about ChurchNext or to request one-month access to its online Christian learning materials, please contact Lucy Lytle by Thursday, July 15.**
