RECTOR'S REPORT

There is no Rector's report this year as Mother Ann retired on July 31, 2024 and we currently do not have a rector.

SENIOR WARDEN'S REPORT **Respectfully submitted by John Irwin**

At the last annual meeting on March 3, 2024, I was elected to the Vestry by the parishioners and then elected as the Senior Warden by the Vestry members. Ann Kidder had confidentially revealed to me in November 2023 that she was planning to retire after her many years of service as Rector. She asked me if I would be willing to serve on the Vestry and possibly serve as Senior Warden, because during a time of transition as a parish conducts a search for a successor, the Senior Warden assumes primary responsibility for the management of the parish.

I was honored by her request and I also of course honored her request that this remain confidential until the appropriate time at which she would announce her impending retirement to the parish. That announcement was made first to the Vestry on the evening of June 12, 2024, and immediately thereafter to the entire parish.

After having served as Senior Warden on several previous terms, I was familiar with the responsibilities and the time commitment of that position. I had met with Mother Ann on many occasions, in weekly Wardens meetings, as well as on various other occasions, so I thought I had a fairly good idea of the duties and responsibilities of a Rector. I was wrong. The amount of work, time, devotion and love that a Rector gives to a parish is monumental. Having now seen that myself, as I attempt to manage those responsibilities, I look back with deep gratitude to Ann Kidder for all that she did for us for those 10 years. And, I look forward to the time of our next Rector.

We at St. Christopher are blessed to be able to worship God in an almost fairytale setting. When Ann Kidder and her husband Ted Fletcher came down Old Mill Hill for their first visit to St. Christopher in 2014, Ann told me that her husband remarked, "I think we have just gone through the cabinet, and we are now in Narnia." I'm sure that many of the rest of us feel the same way. Our church is a beautiful, historic building that our predecessors have handed down to us for our use and for our stewardship. But, while our church is a beautiful building, which we preserve and maintain, along with the Rectory, it is the people of this Parish who are the heart of this church. This is what I have learned, and I have seen, every day during this time of Transition.

We have heard from our Bishop, The Rt. Rev. Anne B. Jolly, and from the Canon to the Ordinary, The Rev. Jessie G. Dodson, that we are a strong and stable parish. We have a devoted Vestry that oversees the operation of this Parish. We have a staff that includes Yuri McElliott, Mary Zup, Luis, Lucy and Andrea Calvo, a Junior Warden, Charlene Currutt, and a Treasurer, Mary Murray, all of whom put forth more effort and achieve more for this entire parish than many of us realize. We owe all of them our sincere gratitude. We have innumerable outreach programs, ministries, activities, gatherings, and special events throughout the year that invigorate and hold this parish together, and serve not only the church, but the broader community.

As we proceed with the Transition, our Search Committee is doing the work, again voluminous and unseen, that will, I am confident, lead us to our next Rector. In the meantime, we have engaged Father Richard Israel since August 2024 as our primary supply clergy and for the pastoral care needs of the Parish. The church is the Body of Christ, and this parish is a strong, beating heart. Thanks be to God.

JUNIOR WARDEN'S REPORT

Respectfully submitted by Charlene Currutt

As 2024 comes to an end, I am pleased to say our church remains healthy and safe! New hand railings have been installed to replace the rotten wooden ones. Inspections have been completed, and no major problems have been noted. We remain so thankful to Lucy and Luis, who continue to keep our church looking fresh and clean.

As a junior warden, you are responsible for both the exterior and interior of a church, including the rectory. Since Mother Ann retired and moved back to Maine, the rehabilitation of our rectory has been quite demanding.

We are thankful to Nancy Irwin for her efforts in coordinating, and covering the cost of eliminating the remaining furniture, removing worn carpet and volumes of discarded items from the rectory garage.

To go forward with any large expense it is protocol to disclose three estimates for a project. The vestry will then vote on the companies taking into consideration the quality and best price. My family will tell you that I love a deal! I am always looking for the best value and the best price. Needless to say, I have enjoyed every minute of this part of my job!

This past Spring and Summer, we were overwhelmed with the grinder issue. It took McHugh Plumbing almost a month of intense 'dirty work' to complete the project. We are very grateful to the Figgie Foundation who purchased two new furnaces and humidifiers for our church.

This fall the rectories three chimneys and roof have been repaired. The squirrels can no longer seek refuge in our buildings! Tree limbs and easy access trees have been removed. With the help of fellow parishioners, we transplanted hostas, planted cypress trees, spread mulch behind the rectory and along the fence edge to the river.

As the weather has closed in, we have turned our focus to the inside of the rectory. Four large rooms on the first level have beautiful sander, stained, and polyurethane floors. They looked incredible! Thanks to the Jackson Flooring Company.

With the help of generous donations, we are very excited to complete many more projects in 2025. I will continue to keep you informed of all the future rectory improvements. Hopefully, all will be completed by late spring. We cannot wait for everyone to see especially our new priest!

ORDER OF THE DAUGHTERS OF THE KING
Respectfully Submitted by Becky Everett

The Daughters of the King is an order whose members undertake a Rule of Life which incorporates a Rule of Prayer and a Rule of Service. Each daughter pledges herself to a life-long program of prayer, service and evangelism. We are also dedicated to the spread of Christ's Kingdom and the strengthening of the spiritual life of the parish.

We have five daughters here at St. Christopher by the River – Becky Everett, Kathy Pender, Annette Lowe, Debbie Cole and Teri Ianni. We would welcome anyone who has an interest in becoming a Daughter. Please feel free to contact any one of us. We would be happy to answer any questions you might have and help you to determine if this group is right for you.

Please remember that there is a prayer box in the Baptistry where you can place any prayer that you wish. We promise to add those people/prayers to our daily list, keeping the request totally confidential.

If you are looking to enhance your spiritual life and gain a devoted, caring sisterhood, please consider joining our order. The following is the Motto of the Order:

For His sake...

I am but one, but I am one.

I cannot do everything, but I can do something.

What I can do. I ought to do.

What I ought to do, by the grace of God, I will do.

Lord, what will you have me do?

STEPHEN MINISTRY REPORT
Respectfully Submitted by Kathy Pender

“Love one another ---as I have loved you” ~John 13:34

The Stephen Ministry continues to provide Christian care to individuals at St. Christopher's, as well as support for one another. May 7th, 2025 will be the Stephen Ministry's anniversary of 8 years since their commissioning. Sadly, the group has lost two dedicated Stephen Ministers in the past three years due to death. We miss them.

The group has given companionship and loving care to several St. Christopher's members as well as others in the community. People who may be experiencing loneliness, grief, illness, loss of a job, a change in their living arrangements, or other reasons, have had the opportunity to have a Stephen Minister by their side when needed.

Stephen ministers provide many hours of emotional and spiritual care to members of our parish, as well as many friends outside of the church. The relationship is personal and confidential.

In the summer of 2024, the Stephen Ministers were commissioned to also be lay eucharist ministers who take communion to those who are unable to come to services on Sunday.

I am grateful to have had the opportunity to have been a part of this program and to have spiritual friends who continue their service in our church.

GRIEF GROUP
Respectfully Submitted by Kathy Pender

The Grief Group was formed in the fall of 2019. The group has been open to the community as well as members of St. Christopher's. The group was discontinued in the fall of 2024. I have continued however to send notes and information each month to the group as a support for them. I also continue to talk to those who have been in the group as a support when they need it.

People in the Grief Group have remarked how the support has helped them deal with their painful journey dealing with grief. The group has offered companionship and understanding from others who experience similar challenges that living with grief brings.

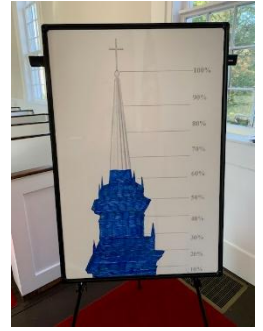

It has been my privilege to be the facilitator of this group of people who are willing to share their stories and feelings that are painful.

2025 STEWARDSHIP COMMITTEE REPORT

Respectfully Submitted by Becky Everett

The 2025 Annual Giving Campaign Team (Becky Everett, Debbie Cole, Laura Cotton, Judy Holmes, Lucy Lytle, Leslie Marting, Kitty Thomas and Kathyn Vilas) is so grateful for the outstanding generosity of the people of St. Christopher's! Our theme this year, From Our Hearts, With Love, was hugely successful, receiving 78 formal pledges for 2025 totaling \$185,000 in financial support! **We did reach 100%!!**

It is very clear how much we all love St. Christopher's, our beautiful church home, and are dedicated to continuing to support its ministries, people and programs as we seek to spread God's love in the world!

RECTOR SEARCH COMMITTEE REPORT

Respectfully Submitted by Kitty Thomas

The Rector Search Committee was commissioned on November 24, 2024. It is the job of nine volunteers with the help of two consultants to interview prospective candidates to secure a new Rector for St. Christopher-by-the-River. At this point the committee has met with the two consultants who are guiding them through this process. The committee has met and will have further meetings with the consultants when necessary to interview, discern and pray for the right person who will guide us in worship. They will have 3 meetings with the congregation to ask them what qualities, attributes and experience the future head of our church should embrace. After interviews and group consultation, the Search Committee with the approval of the Bishop, will ask this priest to lead St. Christopher's.

The members of The Search Committee are:

TREASURER'S REPORT
Respectfully Submitted by Mary Murray

Support from the congregation remains strong. Although pledge and plate income fell by \$11 thousand year over year, you will recall that we had received two large, unexpected gifts late in 2023. Contributions surpassed budget by 6.4% and provided approximately 60% of total receipts, a healthy percentage for a parish of our size. Support from the St. Christopher Fund has been consistent at 5.25% of the Fund's assets. With strong investment performance combined with reduced operating expenses expected in 2025, we are budgeting a reduction in the percentage distribution from the Fund to a more sustainable 5% level.

Overall, expenses in 2024 were lower than budgeted and lower than the previous year primarily because of Mother Ann's retirement as of August 1 which affected the Rectory operating costs as well as salaries and benefits. While some of the savings went toward supply clergy expense, we also took the opportunity to take care of much needed repair and maintenance work on the Rectory as well as the Church. In general, operating expenses were in line with budget and prior year results. Although we had expected a modest deficit for the year, we instead posted a significant surplus.

Our balance sheet remains strong and liquid.

MUSIC REPORT

Respectfully Submitted by Yuri Sato McElliott, Director of Music

This year we added a new member to our Adult Choir, Eric Sylor. It is great to have Eric and more sound in both the tenor and bass sections. Also, after a few years of absence following the pandemic, we are delighted that Debbie Cole has returned to the choir, so we now have three sopranos, which is the biggest section in our choir (3 Sopranos, 2 Altos, 2 Tenors and 2 Basses).

I would like to thank all our choir members, Debbie Cole, Becky Everett, Chandler H. Everett, Chandler P. Everett, Cally Hoyt, Lucy Lytle, Sue Marston, Larry Richmond, Tommy Richmond, Fran Sarkisian and Eric Sylor for singing and playing the handchimes for our regular Sunday services, the Bishop's visitation service and for Mother Ann's farewell Sunday service. Sincere thanks also to Becky Everett for playing the Carillon. To all of you, your hard work and unique talents are appreciated by the entire congregation. Thank you very much!

Since we did not have our regular Christmas Eve evening service this year, we added more music during the Advent season. The Adult Choir not only played handchimes, but they also enjoyed playing other instruments (drum, tambourine, bells, etc.) while they sang, and they had a fun time. This year we also added a Christmas Lessons and Hymns service the Sunday after Christmas. I am so grateful to have dedicated and fun people in both the Adult Choir and Handchime choirs. Thank you everybody!

We are always looking for new members to join the Adult Choir, the Handchime Choir, and of course we would love to have children join us to continue our tradition of the Junior Choir. If you are at all interested, please contact me. In addition, if you play a musical instrument; we would love to have you join us!

OUTREACH AT LUTHERAN METROPOLITAN MINISTRY MEN'S SHELTER - 2100 LAKESIDE AVE.
Respectfully Submitted by Deacon Lydia Bailey

In 2024 I am grateful to be serving alongside you, the parishioners of St. Christopher's by the River, as we live into our baptismal covenant of service to those around us. I am especially grateful for collaborating with you on projects at LMM's Men's Shelter.

Your good cheer and open, warm attitude combine with serving lunch monthly at the shelter in partnership with St. Paul's Episcopal. On alternate months you also provide food for lunch - no small undertaking for 180 shelter residents.

In 2024 parishioners took part in the pastoral listening program with shelter residents and assisted in the computer lab.

A significant way you have supported the shelter is in monetary and in-kind donations, including a \$2,000 donation from Bargain Box proceeds, hugely impactful in 2024.

St. Christopher's by the River, thank you for how you serve and care, with a sunny hearted, can-do attitude!

WOMEN'S GUILD REPORT

Respectfully Submitted by Sue Marston, Guild President

ALL women who attend St. Christopher's church are members of the Guild. An elected Board conducts the business of the Guild. We look for more participation from our women, so join us for our programs and activities. We do have fun!

Our activities include: maintenance of the Guild room and the church library, tract racks, In-Reach to parishioners in need, Christmas gift program for St. Luke's, up-keep of coffee hour supplies and our twice yearly Bargain Box.

Traditionally we make around \$15,000 - \$18,000/ year from the spring and fall sales. Over 60% of these funds are dispersed to outreach programs. (See below) This is a wonderful way to meet parishioners and contribute to our service work. Join us!

The Guild concluded the year with a well-attended Greens Workshop in early December.

Highlights, 2024 Program Year

Broadening Mission Area Collaboration. At the April meeting, members discussed how to identify expanded opportunities to support a wider range of projects across our parishes, and about possibly collaborating with parishes in other mission areas.

Rev. Audra Abt — new Canon for Innovation and Congregational Development at the Diocese — facilitated a discussion promoting an exchange of ideas. Members described partnership efforts across our own parishes, such as *Guns to Gardens* gun buyback events, the St. James Feeding Program of more than 40 years, an outreach-fostering initiative by St. Hubert and several cross-parish pantry programs.

Rev. Audra encouraged us to continue communicating within and among our member parishes, and to consider making outreach calls. She also pointed out that NEMAC is in an enviable position since our parishes are located within closer geographic proximity than is the case for other Diocese mission areas.

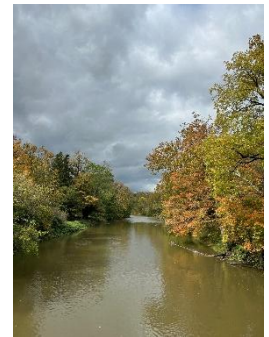

Support for the Integration of Immigrants. Rev. Lisa O’Rear [St. Andrew] partnered with the *Neighbor to Neighbor* program affiliated with *Episcopal Migration Ministries* to identify ways parishes can collaborate with faith communities to provide support to immigrants in our mission area. She and several NEMAC members joined training sessions and discussions to learn about the program. Efforts could include providing support for housing, enrolling children in school, helping adults to learn English, securing employment and supplying assistance accessing other services or resources. Work efforts may continue in 2025 with the potential for Diocesan support.

THANK YOU to all those who donated in any way to St. Christopher's in 2024 (listed below). And a special thank you to our 81 pledgers. 85% of those who pledged were able to meet at least 90% of their pledge and 80% of pledgers met or exceeded their pledged amount. We had a few generous givers who significantly increased their pledge to help us meet our overall goal for 2024 and to help fund some needed projects.
